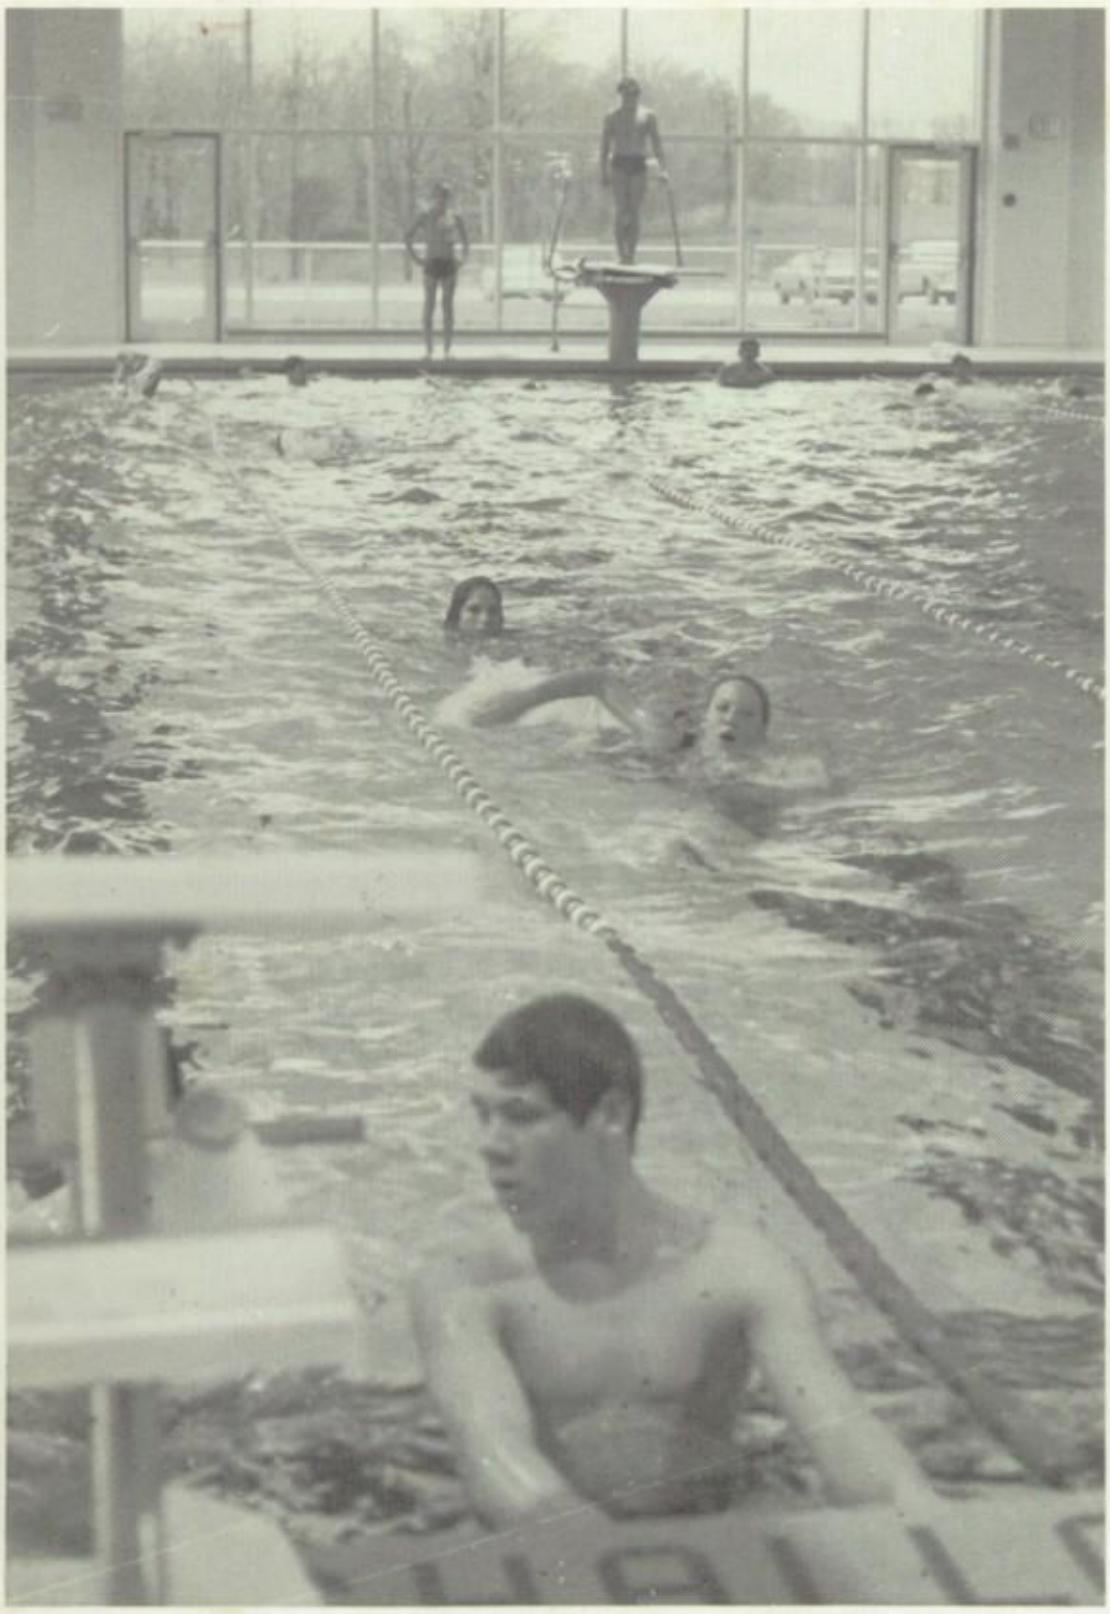
## South Putnam High School

Greencastle, Indiana
Volume III, 1972

# "We've Only Just Begun . . ."



WE'VE ONLY JUST BEGUN to live as we, the class of 1972, leave South Putnam for adventures in the world around us.

As Senior Class members, we witnessed a constitutional amendment ratification which allows 18-year-olds the right to vote is all elections. We registered in the library to excercise our privileges.

As a school, we've only begun to fulfill our curriculum. Courses change with the times. The athletic program expands to allow more boys and girls a chance to participate.

The dress code was abolished to allow students to use their best judgments in dressing for school.

Career Day blossomed from the Guidance Center to enable students to hear guest speakers from various fields.

We hope, as Seniors, that the underclassmen also realize that they, too, have ONLY JUST BEGUN . . .

# Convocations and Style Changes

Mr. Broadstreet and Eli Gould ask Representative John T. Myers about the economic situation during the Congressman's visit to South Putnam.

DePauw University's COLLEGIANS entertained the school body with a wide variety of swinging songs.

Pep sessions as a part of the pre-game festivities found classes competing for the spirit sticks.

# F.H.A & F.F.A. Draw Many Members

*FFA Forestry Judging Team:* Bryan Chadd, Bob Zaring.

The newest organization at S.P.H.S. and one of the most active is the Future Farmers of America.

This club of approximately 40 members was formed in February, 1971. Since that time its judging teams in forestry, horticulture, and crops have done well in state competition. Some members were also successful in 4-H.

Bob Zaring is a very active member. As well as showing the Grand Champion Steer at the Putnam County Fair, he owned the International Grand Champion Steer at the Chicago Livestock Show and had the Grand Champion Garden of the 1971 Indiana State Fair.

Another active member, John Sears, showed the Grand Champion Market Barrow at the Putnam County Fair.

Prior to Christmas, 1971, the members of the local chapter sold citrus fruit. Their total was one-sixth of all the fruit sold by the 206 F.F.A. chapters in the State of Indiana. Paul Heavin was the top local salesman with 60 cases to his credit.

# CLASSES

# CLASSES

*Senior Class Officers* STANDING: Jim Samsel, Vice President, Mr. Scott, Sponsor. SITTING: Jill Gorham, Secretary, Tom Cash, President, and Jean Michael, Treasurer.

As we, the Class of 1972, prepare to leave school, we look at the past, which we cherish, and the future, which we challenge.

Coming together in the newly completed building as sophomores, we made friends and adjusted to the new surroundings.

As Juniors we sold magazines and worked in the concession stand to finance our prom at Rose-Hulman Institute. For our prom theme we chose "A Time For Us."

Now, as we graduate we cherish precious memories of classes, close friends, and good times.

As we look to the future, whether jobs, college, or marriage, a challenge awaits us. We wish to meet it with complete awareness and confidence.

Class Motto: "The past we cherish;
the future we challenge."

Class Colors: Royal Blue & Light Blue

Class Flower: White Rose
